

AWARD WINNING MODULAR DESIGN AND ALL-DAY BATTERY LIFE

The Panasonic TOUGHBOOK® 55 breaks new ground offering unrivaled flexibility in even the most demanding and unpredictable environments with its innovative modular expansion packs (xPAK's). I/O, optical drives, authentication readers, barcode reader, and even the 5G EM9190 xPAK are all user-upgradeable. Backwards compatibility with the previous generation of docks protects customers' investments while saving time and resources. Built with state of the art technology, the TOUGHBOOK 55 offers the latest Intel® 13th Gen CPU with up to 14 processors, up to 64GB of RAM, up to 3TB of storage, choice of embedded 4G or modular 5G, color-selectable backlit keyboard and 92db speakers.
